Dr. Peter Okaalet
Senior Africa Director of MAP International
Nairobi, Kenya

Dr. Okaalet, a Ugandan physician, also holds Masters degrees in both Divinity and Theology. Named a "Global Health Hero" in 2005 by *Time* magazine, Dr. Okaalet works to bridge the gap between physicians and clergy in combating the international AIDS epidemic. As Africa Director for this faith based global relief organization, Dr. Okaalet, is recognized for his leadership in empowering and engaging the faith community in the fight against HIV and AIDS in Africa. Having lost three brothers and a close friend to AIDS, he personally knows the tragedy of this global epidemic.
